Malmstrom to conduct base exercises

MALMSTROM AIR FORCE BASE, Mont. – Malmstrom AFB will conduct military training exercises April 11-19, 2023, on the installation and around central Montana.

The community can expect an increase in the presence of emergency vehicles and helicopters. Installation gate access may be affected as enhanced security procedures are performed on inbound traffic.

The exercise involves extensive planning and coordination across Malmstrom, as well as other installations which provides unique training for assigned units and partners.

For more information or questions, contact the 341st Missile Wing Public Affairs office at 406-731-4050.
